

Notes of a meeting of the Working Group (WG) on the possibility of affordable housing in the parish.

5 March 2024 in Guestling at 11:00.

Present

Cllr Martin Griffiths, Chair

Cllr Graham Furness

Cllr Peter Knatchbull-Hugessen, Notes

1. It was noted that the draft Local Plan has two proposed changes that relate to affordable housing. They are both around the role of the Parish Council and will be discussed by the Parish Council when it considers the draft as a whole.
The changes make no difference to the work of the working group.
2. Eleven people responded to the request made by the working group for thoughts, opinions, and consideration of the need for affordable housing in the Parish. All will be invited to meet the working group if they want to make further points. The working group hopes that this will happen at Three Oaks Village Hall during April.
3. The working group will write to the Community Land Trust seeking an update and requesting further information.
4. The working party will make its final report to the Parish Council at its May meeting.
